

Announcing the...

“Get to Know Your Church Neighbor” Dinner Initiative

Join us September 29th for a meaningful At-Home Fellowship opportunity!

Do you know who in our congregation...

- has a name that came from the Welsh language?
- was a professional radio broadcaster?
- lived in Japan?
- has the most children?
- loves antique cars?
- can tell you where to find a Walking Iris?
- can speak Romanian?
- knows the best houses for sale in Hightstown?
- has walked on the moon?*

Our congregation has amazing stories to tell, and friendship to share! And now you can get to know the person in your pew, or (better), several pews over—by sharing a meal together through the At-Home Fellowship Project.

How does it work? It's easy. It's potluck. Just...

1. Decide your role. Both hosts and guests are needed. Hosts do not need to have a large, elaborate home, and it doesn't have to be in Hightstown. You'll cook a main dish for your guests. And you can suggest what guests can bring by way of a side dish or dessert. Let us know if your planned event would be appropriate for children. Tell us how many people you can host, typically 4-8.
2. Tell the Fellowship Committee that you want to participate. Provide the information below. Fill out the slip below and put it in the offering envelope.
3. Have a good time!

For more information or to get involved, contact Susan Matson – smatson123@comcast.net. The planning deadline is September 20th.

** ok, we were kidding about that one—but the others are real!*

Yes! I'd love to participate on September 29th. Count on me as a:

____ .Host ____ Kid friendly ____ # of guests I can host

____ Guest ____ # of Children/Ages ____

____ Any Allergies? Explain _____

I'm busy on the 29th, but would love to do this another time as a:

____ Host ____ Guest
